

Arbor Student Portal

- EduLink has gone and has been replaced with the Arbor Portal. This has changed the way you access homework assignments and information about your achievements, attendance and behaviour points and school timetable.
- Many students are already using it which is great! And we recognize that some of you are struggling. Here's how to get it sorted!

Logging in

- You will log in using your school email address and a password which is different to your school network/email password. You set this in the summer term.
- If you cannot remember your password, use the “Forgot your password?” link.
- If you haven’t yet logged in, use the “First time logging in?” button.
- Both of the above will send a link to sign you in with to your school email address.

A Quick Guide

The screenshot shows a web browser displaying a student's profile on the Arbor system. The profile is for Summer Clarke, a Year 9 student. The page is divided into several sections: a header with the student's name and a tree icon, a main content area with a profile picture and statistics, and a sidebar with course information.
